# THE NINETEEN

J. R. DENTON, EDITOR • B. T. ELLIS, BUSINESS MANAGER

THIRTY-SEVEN

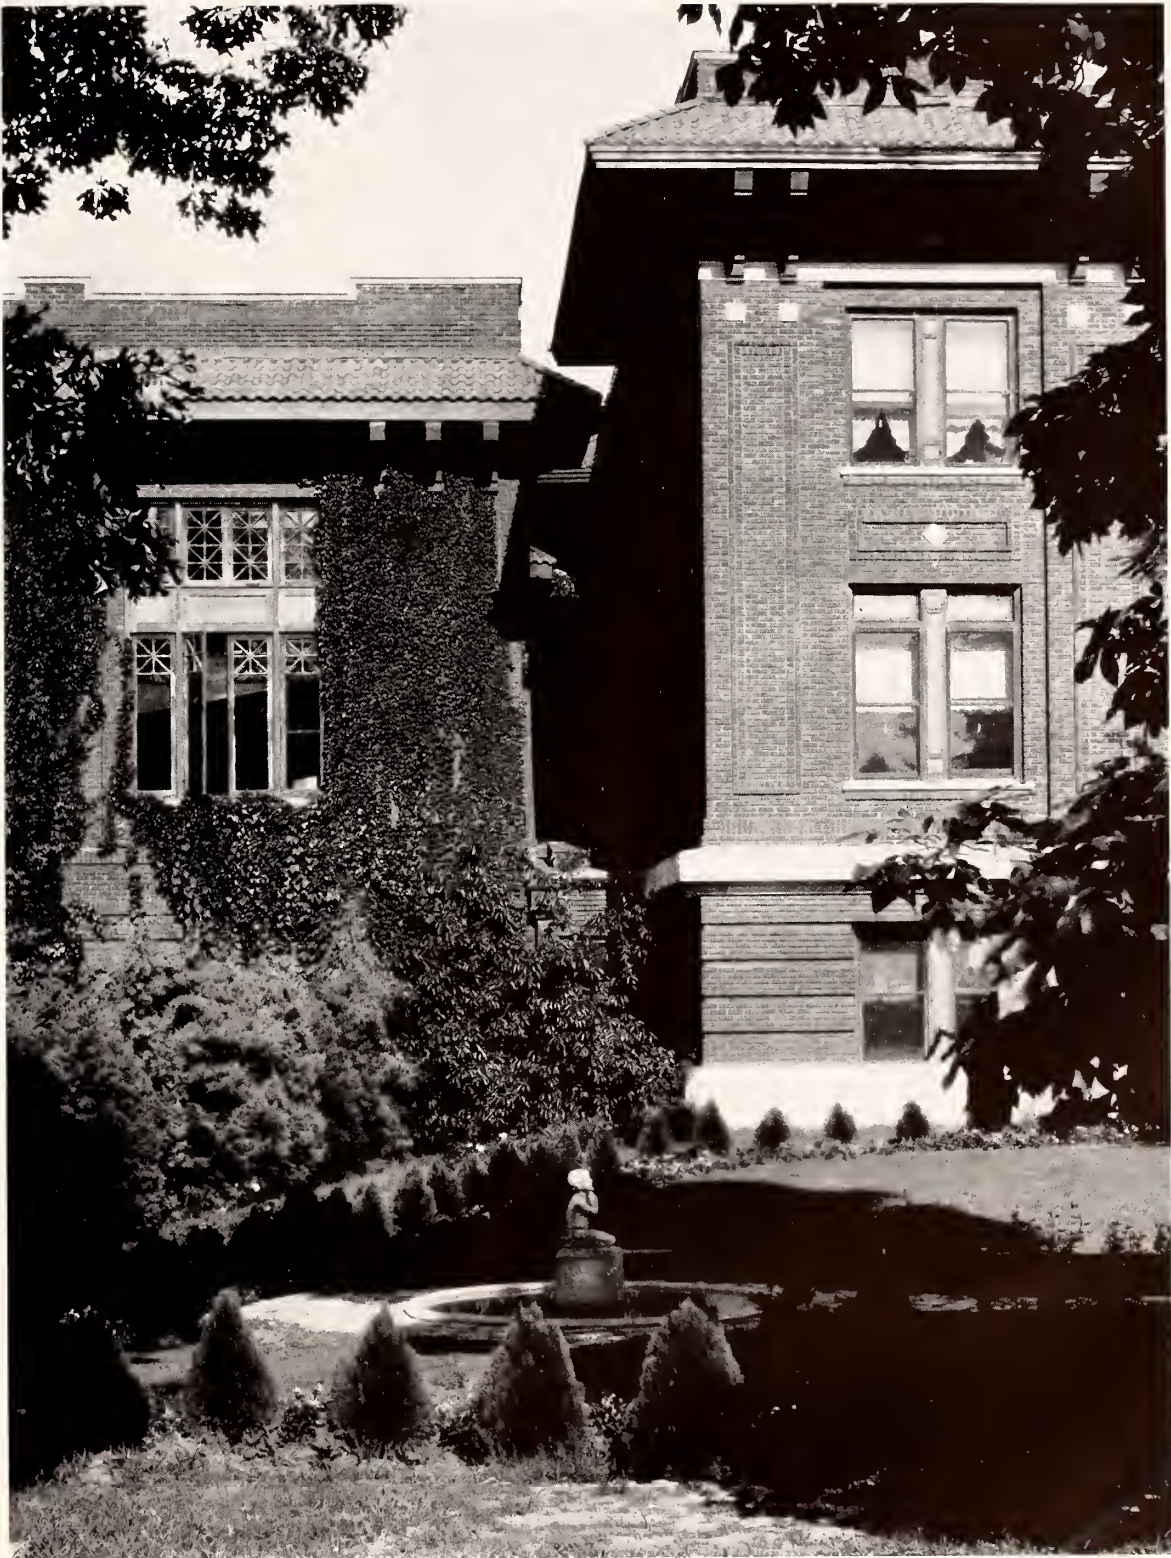

newspaper

**W**hen flames, now burning so brightly, soften to a mellow glow, and glamorous dreams of student life come crowding into memory's twilight; when friendships and acquaintances gently call for readmittance from the haze of college days—If then, through these pages, you can recapture the perhaps forgotten joys of life at Mississippi State, our mission will be accomplished, our fondest hopes fulfilled.

**Forever**

A decorative graphic at the bottom of the page. It features a thick, curved line that starts with a red outer edge and a black inner edge, curving upwards from left to right. Below this line is a solid gold-colored area. The word "Forever" is written in a stylized, bold, red font with white outlines, positioned above the curved line and slightly to the left.

By your uncanny insight into student nature and sympathetic treatment thereof . . . By your intensely human qualities . . . You have inspired respect and true affection in all who know you.

Dr. G. D. Humphrey • President

B. F. HILBUN

MITCHELL ROBINSON

I. D. SESSUMS

# OFFICERS AND DEANS

W. F. HAND, *Vice-President*  
DEAN OF SCIENCE SCHOOL

By the untiring work of this group of gentlemen, Mississippi State has been advanced to higher levels. Through the past several decades these loyal supporters

of State have toiled to make this a bigger and better institution of higher learning. By their able guidance Mississippi State has received national recognition.

Dr. William Flower Hand, Vice-President of Mississippi State and Dean of the School of Science, has been connected with this college since 1903, and has been head of the Science School since it was established in 1911. He is a graduate of this institution and received his doctorate from Columbia University. Dr. Hand is an outstanding figure of the campus, and is nationally known in the field of science.

Mr. B. F. Hilbun, Registrar, Dean of Men, Head of the Service Bureau, and Chairman of the Publication Board. Although his services are divided into many fields of work, he has proved more than capable of bearing these responsibilities. His personal popularity among the students is evidence of his success.

Mr. Mitchell Robinson, Secretary and Business Manager of the College, through untiring work and determination, has helped build this institution in numerous ways, including athletics and enrollment. Upright, patient, and tireless in his service to the college, is Mr. Robinson, who is largely responsible for all that is finest at State.

Major Irvin D. Sessums heads the Department of Discipline, and has performed his duties in a most creditable manner. He has proven himself to be a very

BOWEN

PATTERSON

HAND

HATHORNE

RICKS

# OF THE COLLEGE » »

capable and efficient leader. He is one of the most popular administrative officers of the College, and is a believer in the old policy of the iron hand in the silken glove, and by seeking voluntary co-operation of the student body before resorting to disciplinary measures, he retains the respect and friendship of the students, and at the same time maintains a high standard of personal conduct among them.

James Vance Bowen, Dean of the School of Business and Industry, has achieved his life's ambition—that of placing his department on a parity with that of any institution of similar type. Due to his able direction, this school has developed faster than any other school in this institution. Having behind him a wide experience in the practical affairs of life, Dean Bowen has acquired a broad human sympathy which makes him respected and beloved by all the students under him.

Lucius Lamar Patterson, Dean of the School of Engineering, has been a member of the faculty since 1910. Affectionately known as "Dean Pat," he is always glad to offer his time for the betterment of students' welfare at State. He has proved to be a hard worker and an excellent teacher. He has the utmost respect of the fact that he keeps their noses to the grindstone; for

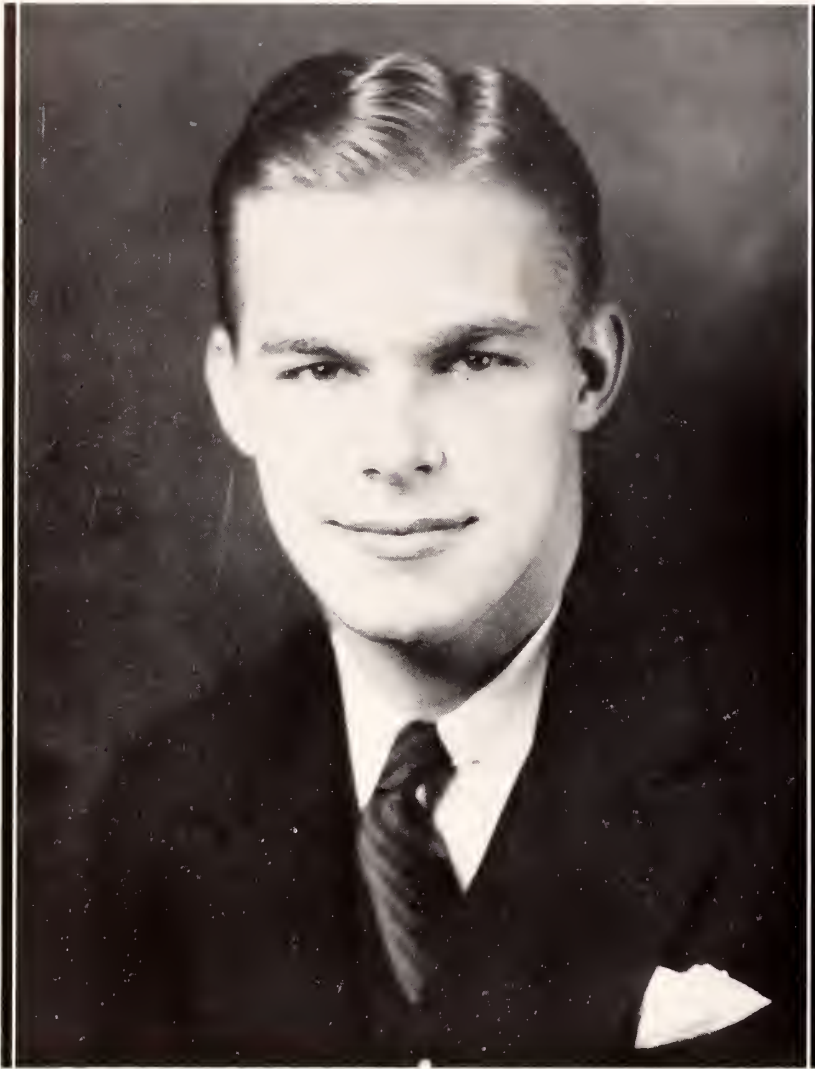

they know he is hard but fair, and that he works even harder himself than he would have them work.

Dr. W. F. Hand, Dean of the Science School, and Vice-President of the College. Under his most efficient management the school has grown to a ranking position. As Chemistry is fundamental to Agriculture, Engineering, and other technical courses, this school does the basic work in Chemistry for all schools of the institution.

S. B. Hathorne, Dean of the School of Education, and is a new member in the rank of deans of this institution. He is also Director of Instruction, and Director of Summer School. Although this is his first year of service on the faculty of State, he has made definite progress in the field of education at this institution.

James Robert Ricks, Dean of the School of Agriculture, and Director of the Mississippi Experiment Station, has played a leading part in elevating his branch of the college to its present enviable rating. The School of Agriculture was organized in 1892 and has as its function training in all branches of agriculture from the farmer to the specialist and the scientist. Under the direction of Dean Ricks, this school has helped State acquire its present high rating.

# Student Association

The Student Association, that name given to the entire student body assembled, is composed of the officers of the Student Association, which make up the Student Executive Council, and the entire roster of enrolled students.

The Student Executive Council is the governing body of the Student Association of Mississippi State College. Its membership is composed of the President, Vice-President, and Secretary-Treasurer of the Student Association, four members of the Senior Class, three Juniors, two Sophomores, and one Freshman. The Executive Council is to the Student Association what the Congress of the United States is to the United States.

The officers are elected by the vote of the entire student body from an unlimited number of candidates for each office. The representatives of the classes are elected from their respective classes by popular vote.

The work of the Council consists in the running of student affairs and government, and in the taking of such action as they may deem best for the welfare of the students.

One of the outstanding jobs promoted by the Council this year was taking action on revising the old and out-of-date constitution. The Council has also been very active in sending representatives to Student Government Conventions to represent Mississippi State.

Its purpose is to bring to the student body from year to year the fullest possible good, well-balanced student life. Not only is this responsibility necessary in helping bring about more forcibly the realization of the responsibilities of the high places in life which we trust every State man will hold as a graduate student of this institution. By assuming some of the responsibilities of governing its own affairs and helping in directing student activities, the student body does not mean to supplant the college authority, but to cooperate with them in making the various student activities a success.

STUDENT EXECUTIVE COUNCIL

# The Reflector

*The Reflector*, in its efforts to recount the achievements and daily events of the students of State, has for many years been recognized as one of the leading journals of the collegiate press. It has always been the policy of the paper to express the general opinions of the student body and, through its editors and contributors, to afford interesting topics of all kinds in order that the monotony of college life might be somewhat abated by its pages.

This year Editor E. N. "Ras" Ross, Jr., and Business Manager H. N. "Monk" Moore and their staffs more than had their hands full in keeping the student body posted as to the accomplishments of State students, not only on the campus, but over the entire country as well. Through its columns come the news of football victories, debate championships, boxing knockouts, and other accounts of student meetings and affairs in which the stellar sons of State have represented themselves and their school so well.

The publication of the 1937 REVEILLE makes the thirty-third year for the Mississippi State's year book. From the first issue, each staff has strived to make its book better than the one of the preceding year. And since the first REVEILLE there has been a definite progress made. The book now includes many more campus activities, organizations, and individuals. An attempt has been made to produce an annual of interest to every student.

For the first time the book has been put on a fee system, and increased in size. It has no stated theme, and its goal is that of producing a valuable record of Mississippi State during the year 1937. If this thirty-third volume of the REVEILLE adds definite improvements and is viewed as a publication which has made progress in the field of annuals, the staff will feel that its time and effort has been well spent, that it has successfully attained its purpose.

# We Pay Tribute to

Mr. Mitchell Robinson, Secretary and Business Manager of the college, recently tendered his resignation to President G. D. Humphrey, after five years of faithful service in this position. Mr. Robinson, known to students of State and friends as "Mitch," has been constantly active in college affairs, as well as taking a large part in civic work in Starkville and Oktibbeha County.

While here he played a major role in helping State boost its enrollment to an all-time record, and was also instrumental in helping the Maroons attain national recognition in football and in other forms of athletics within recent years. Besides being an asset impossible to replace to the college, Mr. Robinson has been the "Good Samaritan" to a host of State men.

It is possible to compliment Mr. Robinson in many ways, but it is impossible to say enough good things to do him justice. His name will go down in the history of this institution as being one of its greatest and most loyal officers of administration and friend.

An excerpt from the *Reflector* reads as follows: "Mississippi State College is a better school because he was here." This school is going to miss such a fine character and willing worker. He has been instrumental in developing this into one of the greatest and best known schools in the nation."

A quotation from the 1936 *REVEILLE* is as follows: "To Mitchell Robinson, Secretary of the college, goes infinite credit for State's rapid rise in the past few years. Only at great personal sacrifice of time, money and effort to an extent known only to a few has he been able to meet those thousands of obligations and favors which he so cooperatively and cheerfully takes upon himself."

# The Reserve Officers

## U. S. ARMY OFFICERS

MAJOR R. I. SASSE  
*Professor of Military Science and Tactics*

MAJOR R. I. SASSE, U. S. CAVALRY ..... *P.M.S. and T.*

MAJOR A. C. CHESLEDON ..... *C.A.C.*

MAJOR A. R. MACKECHNIE ..... *Infantry*

CAPTAIN JOHN H. STOKES ..... *Infantry*

CAPTAIN JOHN HARRY ..... *C.A.C.*

CAPTAIN WILLIAM K. STENNIS ..... *C.A.C.*

SERGEANT W. COMBS ..... *C.A.C.*

SERGEANT C. H. PALMER ..... *C.A.C.*

SERGEANT F. H. LEWIS ..... *Infantry*

SERGEANT C. A. WELSH ..... *C.A.C.*

# Training Corps

## CADET REGIMENTAL STAFF

F. B. WYLIE, JR.

The Cadet Regimental Staff is chosen from the Senior cadet officers according to ability and scholastic standing. The Staff this year has been in charge of more than one thousand cadets, both infantry and artillery.

F. B. Wylie, Jr., Senior in the School of Engineering, who was awarded the highest military honor available at this institution in being selected to serve as Cadet Colonel for the 1936-37 session. Wylie is also a member of Scabbard and Blade Honorary Military Organization.

Williamson, Stubbs, Wylie, McGehee, Bonney, Goodwin

# Battalion Officers and Some of Their Sponsors

## First Battalion

J. J. CROSBY . . . . . Major  
MISS LESLIE BAILEY . . . . . Sponsor  
H. E. COVINGTON . . . . . First Lieutenant

## Company "A"

M. G. GRAY . . . . . Captain  
MISS JANE OWEN LUCAS . . . . . Sponsor  
J. V. NEWMAN . . . . . First Lieutenant  
S. P. CROCKETT . . . . . First Lieutenant  
U. L. DAY . . . . . First Lieutenant  
W. H. WADDELL . . . . . First Lieutenant

## Company "B"

F. T. HIGHT . . . . . Captain  
MISS HAZEL MCCLELLAN . . . . . Sponsor  
E. N. ROSS . . . . . First Lieutenant  
H. H. HOLLAND . . . . . First Lieutenant  
J. N. REDDOCH . . . . . First Lieutenant

J. R. DENTON . . . . . First Lieutenant  
H. E. WHITE . . . . . Second Lieutenant

## Company "C"

E. C. ELLIOTT . . . . . Captain  
MISS MELLE WARD . . . . . Sponsor  
A. F. STUBBS . . . . . First Lieutenant  
W. E. RAGLAND . . . . . First Lieutenant  
C. J. SALA . . . . . First Lieutenant  
B. T. ELLIS . . . . . First Lieutenant  
H. N. MOORE . . . . . Second Lieutenant

## Company "D"

W. L. MAXEY . . . . . Captain  
MISS ESTHER FREEMAN . . . . . Sponsor  
C. W. HAWKEN . . . . . First Lieutenant  
E. E. FREEMAN . . . . . First Lieutenant  
F. H. MASSEY . . . . . First Lieutenant  
W. M. HARRISON . . . . . First Lieutenant

### Third Battalion

A. W. HOLLAND	Major
Miss GROSIE HEATH SAUNDERS	Sponsor
R. E. BRIGGS	Captain
W. C. DOWNING	First Lieutenant
J. C. CONGER	First Lieutenant
J. W. WHELAN	First Lieutenant

### Battery "I"

H. W. WEBSTER	Captain
Miss PATTY COCHERHAM	Sponsor
L. A. CONERLY	First Lieutenant
J. R. SMITH	First Lieutenant
H. V. COOPER	First Lieutenant
T. K. TRIGG	First Lieutenant
L. E. CLAIBORNE	Second Lieutenant
W. W. DUNCAN	Second Lieutenant
E. B. HUGHES	Second Lieutenant
W. H. KNOX	Second Lieutenant

W. H. BROCK	Second Lieutenant
H. O. CRANE	Second Lieutenant
C. D. HOOD	Second Lieutenant
W. B. PEARSON	Second Lieutenant
J. M. ALFORD	Second Lieutenant

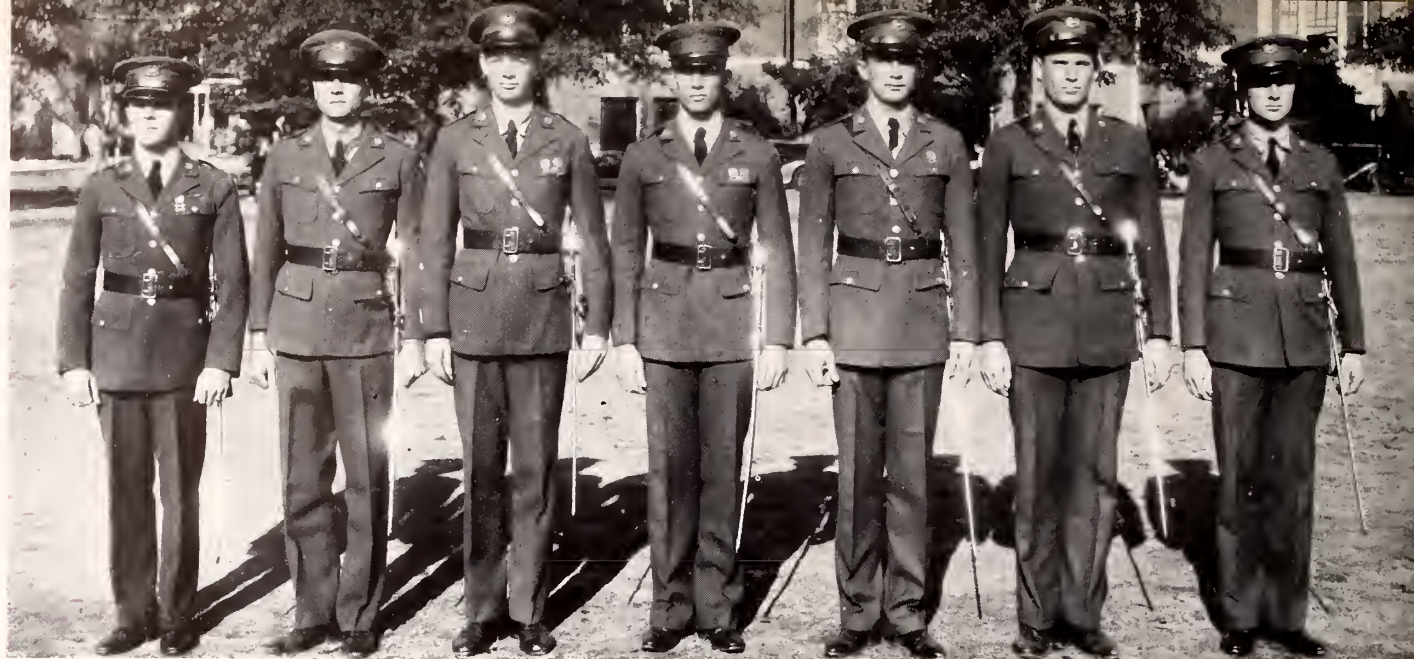

### Battery "K"

M. Y. MULLEN	Captain

P. R. DAVIS	Captain
Miss FRANCES SCHLATER	Sponsor
J. C. MILTON	First Lieutenant
O. K. BATTE	First Lieutenant
S. REYNOLDS	First Lieutenant
J. W. EWING	First Lieutenant

Downing, Whelan, Briggs, Holland, Crosby, Covington, Conger

# Battalion Staff

## THE R. O. T. C.

When the Land Grant Colleges were founded in the United States, one of the stipulations of the contract was that each school founded on this plan should be given certain courses in Military Science and Tactics. Therefore, for the first two years at Mississippi State each student who is physically fit is required to take a course in military. However, the second two years are elective, so the student himself decides whether or not he will continue his course in the subject. If military is taken by the student for four years, he may receive a commission in the Organized Reserve as a Second Lieutenant. Mississippi State has one of the best military organizations in the South. It ranks with the highest and tribute has often been paid to it by the ranking officers of the Fourth Corps area.

# CADET BAND

» »

The Regimental Cadet Band, commonly known as the Maroon Band, not only ranks as one of the best in the South, but it also ranks high on the list of the best in the nation. We are proud of our band, and highest credit should be given that untiring group of musicians who have so successfully carried high the standards of our school.

The band is always on hand for the varsity games and helps keep the Old Mississippi State Spirit at the boiling point. No "pep" meeting or parade would be complete without the assistance of the band. H. E. Wamsley has been director of the band for a number of years, and is to be congratulated for his wonderful work.

J. B. Small, Annie Louise Griffin (Sponsor), K. E. Brister, L. Bridges, J. A. Martin

## THE CADETS

Anti-aircraft gunners drill . . . Machine guns bite the d'rt . . . Dorsett stands post . . . Soldier at attention . . . Halt or we will run . . . Davis takes to aerial targets as Goodwin observes . . . Downing hates buzzards . . . So this is what makes camp interesting at Pensacola . . . "Master Mind" gets some support . . . Davis and Blanchard being shot at camp.

# Beauty as ...

SELECTED  
BY PETTY

PETTY  
2604 COYLE AVENUE CHICAGO

December 8th, 1936.

Mr. J. R. Denton,  
Editor 1937 Reveille,  
Mississippi State College,  
State College, Miss.

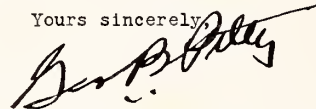

Dear Mr. Denton:

Herewith is our selection of the beauties  
in order, and we are putting it mildly  
when we say it was a tough job.

Regarding a sketch for your beauty page,  
please accept this note as authorization  
to use any Esquire gag illustration that  
you see fit. Your engraver can reproduce  
this from the printed Esquire page.

Hoping our choice is not at too great odds  
with local opinion, I beg to remain

Yours sincerely

GBP  
J

George B. Petty.

P.S. Would appreciate receiving one of  
the books.

# YEA! STATE!

Hulsey, Hogan, Gieger, Davis, Washburn

Enthusiasm, born of victorious teams and concentrated efforts, burned deep in the breasts of the loyal student body this year, and with Head Cheerleader Bobby Davis leading his assistants in a variety of scenic acrobatics, the pep flowed to new levels.

The colorful Major Sasse and his charging warriors beat a wide swath through the conference competition this season and the cheering sections reverberated with the assent of untold numbers.

Vim, vigor, and vitality, proteges of the mighty Apaches, marched shoulder to shoulder with the State student body as our teams met the foe. Spirit this year undoubtedly inscribed a new arch in the annals of sports history, and with this reborn attitude still manifest in a majority of undergraduates, even new heights are in sight for future years.

To the students pictured above, we extend heartiest congratulations and profound appreciation for a task well done.

## Maroons Attain National Recognition

Mississippi State blazed another trail last football season to rise from near hundredth in the national football list to nineteenth as ranked by the stiff Dunkel and Williamson system. Glory is due to courageous playing of the football men, as well as the personal brilliance of Coach Sasse and his talented staff. All of State College played a part in this phenomenal rise.

State's sudden success was not entirely unheralded, for during the season of 1935 the Maroon Bulldogs had tumbled two of the nation's mightiest in surprise upsets—Alabama and Army.

This year, however, the Maroons added general excellence to their flashiness, in losing only two games in a ten-game schedule, winning seven and tying one, for the best record since 1917.

So impressive was the record of the Mississippi State gridders that the Orange Bowl game committee selected them to represent this section of the South in the annual intersectional battle against Duquesne, the team that licked the invincible Pitt.

Although the Maroons dropped the Orange Bowl tilt by a single point, their standing was not lowered in the light of Mississippians' eyes, and homage is still being paid to the greatest football team produced by this state in decades. Nor is it thought that the 1936 record is a "flash in the pan"; but rather that the Maroon standard will be carried to even farther heights by the future men of State College.

# "Golden Egg" » »

A snarling Bulldog bested Ole Man Jinx in the Ole Miss game last fall, but was all smiles when he claimed the coveted "GOLDEN EGG." State now holds undisputed possession for the first time in the history of the trophy.

"THE GOLDEN EGG," purchased by Ole Miss and State in 1926 to further good will, rested here on only one other occasion, for half a year, based on the 7-7 tie of 1929.

Following its alarming and mysterious disappearance this year, a diligent search revealed that Chick Hosch had only put it away after the annual football banquet for safekeeping. Now that State has the flighty and slippery egg, it intends to hang onto it.

# State's Coaching Staff

Having been presented in 1936 with the best season since 1917, by perhaps the best athletic leaders State has ever known, the powers that be are wisely retaining every member of the coaching staff for the 1937 season: Major Ralph Sasse, head coach; Major Ross MacKechnie, backs; Frank Carideo, kickers; D. W. Aiken, ends; and Captain John Stokes, line.

# And the Varsity Squad

Here is a fine group of football players that responded to the call of the pigskin early last fall. With many Seniors as a nucleus, this squad produced one of State's most powerful and versatile teams.

Sheer brilliance in every department of the game—brilliance radiating from a group of individual stars willing to sacrifice personal glory for the success of the unit—gave State one of its greatest seasons in football history.

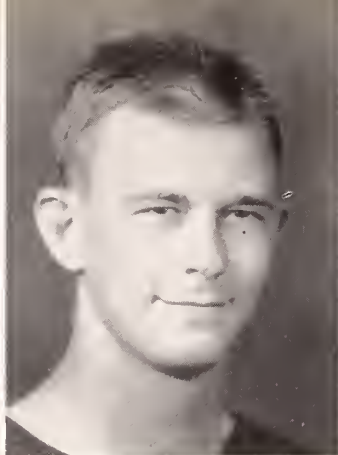

A large number of these players are Seniors, and have played their last game of collegiate football. Our hats are off to these men for their brilliant work, which has helped put State high in the ranks of the football world. Some of these men played on the undefeated and unscored-on Freshman team of 1933. Since that time these players have given their very best in order to carry State to victory.

The remainder of this squad, plus the 1936 Freshmen, and Freshmen to come, will be responsible for not only holding our present record, but also for carrying State on to further glory next year and years to come.

## AN ACCOUNT OF THE GAMES

The remnants of the undefeated frosh squad of 1933 comprised the nucleus of the squad this season, and in passing through the halls of graduation leave in their wake the best record compiled by a Maroon team in two decades.

Following the most successful season since 1917, the men of Sasse topped it off with a superb performance in the famed Orange Bowl classic, only to be nosed

out in the fading moments when Duquesne scored on a desperate pass. The final score was State 12, Duquesne 13. Next year State plays Duquesne on the regular schedule.

### STATE 20—MILLSAPS 0

A light and stubborn Millsaps eleven supplied the opposition in the opening game of the season, but the Maroons took the fighting Majors in tow with a 20-0

victory that saw practically every man on the squad take the field.

Freddie Hight, fast stepping halfback, was the spearhead of the running attack and scored the first touchdown of the season on a short pass. Chuck Gelatka brought the score to 13-0 at half time with a dazzling run of forty-five yards after taking in a pass from Ike Pickle.

The third and final score came with a majority of the regulars sitting on the bench, and resulted through a pass from Armstrong to Edwards, a sophomore end.

#### STATE 35—HOWARD 0

The 1936 grid machine was given another test run, and performed as expected in turning back the scraping Howard eleven. Dennis Cross, sophomore sensation, turned in the longest run of the season in dashing 98 yards to a touchdown with the third period kick-off. Placement by Pickle moved the score to 14-0, Chuck Gelatka having sped 37 yards with a pass to open the scoring.

Howard elected to receive and after an exchange of punts, State took the oval on the Hilltopper 35-yard line. Pickle and Hight hit the line for 15 yards before Gelatka picked up 10 more with another pass. Hight

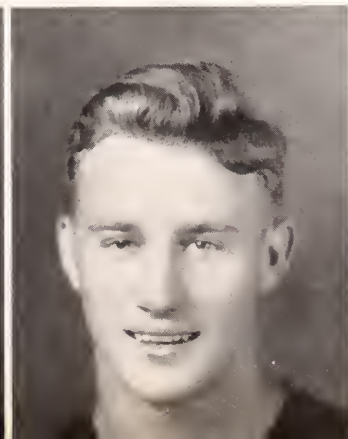

BURCH

BUTLER

CALDWELL

CROSS

DIXON

## AN ACCOUNT OF THE GAMES

drove to the 10-yard stripe, and after two attempts Cross went over for the third touchdown.

Second and third stringers turned in another score during the third period after taking a fumble on the 35-yard marker. Bernie Ward and Bobby Thames drove to the six-yard line, a penalty placed the ball on the one, and from here Thames drove through the line. Dixon converted.

The final score came in the fourth period with Dixon going over for the score. The Maroons chalked up

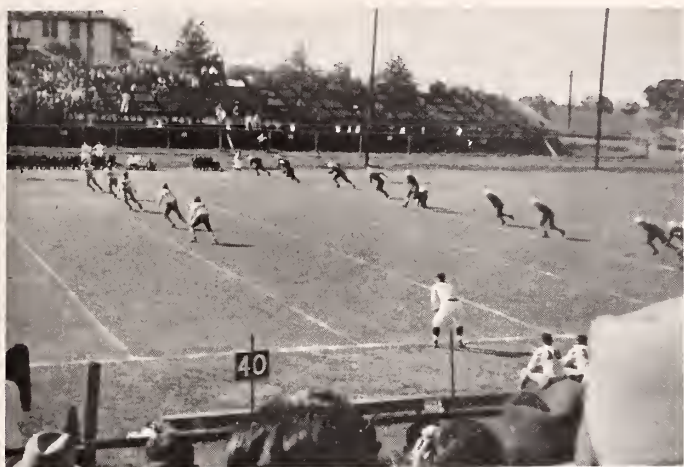

20 first downs to Howard's 5, and never allowed the visitors to get within the 25-yard stripe.

### STATE 0—ALABAMA 7

One perfect play on the part of the Alabama offense sent their ace back, Joe Kilgrow, spinning down the sidelines for 83 yards and the lone score of this thrill-packed game. The revenge was sweet for the Crimson Tide, State having completely humbled them the previous year by taking a 20-7 victory.

Other than this brilliant play offensive movements favored the Maroons, as Alabama gained but 62 yards on the combined efforts of passing and running plays during the rest of the tilt. The State eleven turned in a total of 156 yards gained during the afternoon.

State hammered away at the Crimson goal line all afternoon, but lacked that final spark. On three occasions the Tide intercepted passes over their goal line to put an end to a concentrated drive in each instance.

Though the entire team played inspired football, the work of Alex Lott, David Price, Dennis Cross, Johnny Moak and Bob Hardison stood out.

#### STATE 32—LOYOLA 0

Before a capacity crowd which poured into Meridian's new stadium for the inaugural game, the Maroons ran through the Loyola Wolfpack and won handily by a 32-0 score. Only once did the Loyola team have possession of the ball in State territory and that came with only four or five minutes to play. This incident ended on the State 46-yard line when the Wolves were forced to punt.

Victor Dixon proved the sensation of the game, scoring one touchdown and tossing two scoring passes. After Steadman crashed the line for the lone first period score, State came to life and the fireworks started. Dixon flipped a pass of 32 yards to Pickle who went over standing up, and in a few minutes fired one to

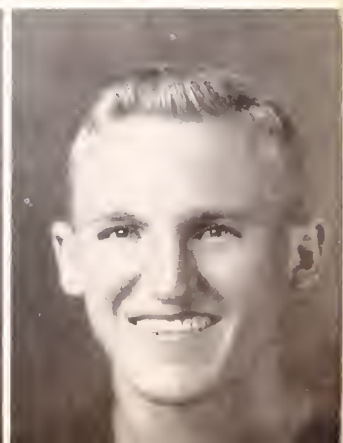

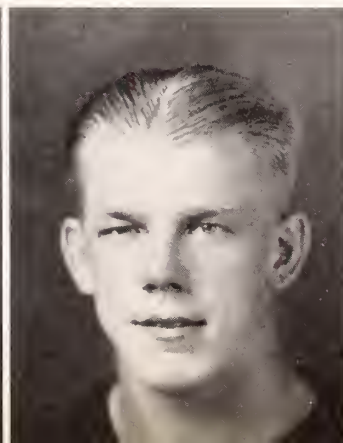

EDWARDS

GELATKA

GRAY

HARDISON

HIGHT

## AN ACCOUNT OF THE GAMES

Cross for a similar distance and another score. Pickle kicked both extra points. Pickle romped 21 yards for another score shortly after the half opened, and the score stood at 26-0. Sasse sent in another team at this point and though the Maroons kept threatening the Loyola goal, only one other score was made. Dixon tallied on an end sweep late in the final quarter.

STATE 0—T. C. U. 0

As the feature of Mississippi Day at the Texas Centennial the Maroons battled the Horned Frogs of Texas

Christian University to a scoreless deadlock in a sea of mud. The Staters were favored to win and probably would have done so had the heavily soaked field not kept the fleet-footed backs of Sasse from performing up to par.

A steady rain held the crowd to a minimum number but the five hundred or more students who made the long trek to Dallas braved the elements and sat cheering throughout the affair.

The work of A. B. Stubbs at the safety post, and the sensational kicking of Bobby Hardison were the highlights of the game.

STATE 68—SEWANEE 0

Probably before the team left the showers on that wild Saturday afternoon in Jackson, the statisticians were

diving back through the records to learn just how much of a record the Maroons did set in swamping the Seawanee Tigers by a 68-0 score.

The Maroons scored at will, running over four touchdowns in the opening half and six in the final semester. Of the ten attempts at extra point conversions, eight were successful. Bernie Ward was the offensive threat of the afternoon, accounting for three of the scores and figuring prominently in several others. Bob Hardison scored the first touchdown ere the game was many minutes old, and shortly thereafter Charlie Armstrong ran around end for another. In the second period after Armstrong had again scored, a triple pass, Caldwell to Dixon to Ward, was good for 60 yards and a score. As the third period opened Armstrong passed to Stubbs for a score, making it 34-0, and in a few minutes Ward whipped into a hole at tackle, cut back and romped 60 yards to go over standing up. Shortly after the kick-off Ward again dashed over for a score, his second in five minutes. During the fourth quarter Fred Walters took in two passes for touchdowns and Bobby Thames dashed over for the tenth and final score.

#### STATE 0—L. S. U. 12

The rugged power of the L. S. U. Tigers proved too much for the Maroons for the second straight year, and

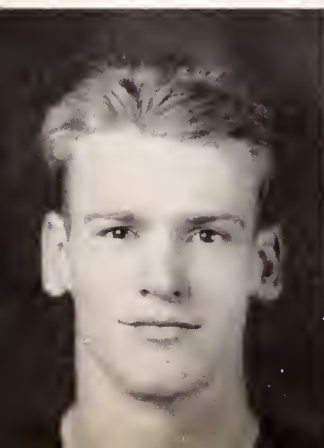

LATHRAM

LOTT

LYNCH

MEIGS

MOAK

## AN ACCOUNT OF THE GAMES

the final score favored the Bayou Bengals, 12-0. The first touchdown came on a freak play. Tinsley took a pass from Coffee which Price diverted into his arms, and ran over from the five-yard line. A tough break disheartened the Staters and robbed them of a score. Ward took in a twenty-one-yard heave from Armstrong, but the officials ruled that he went out on the one-yard line as he made the catch. Stubbs, too eager for the score, fumbled on the next play and L. S. U. recovered.

Rhom, sensational sophomore of L. S. U., dashed 45 yards through a hole at left tackle to score the second touchdown of the game. The Maroons came back fighting from the next kick-off when A. B. Stubbs took the oval on his own 10-yard stripe and dashed up the field behind perfect interference. Reed, safety man for the Tigers and the last man between Stubbs and the goal, barely ran him out of bounds on the Tiger 41-yard mark. After two attempts at the line had failed, State continued the march with a successful aerial thrust only to bog down on the Tiger 25.

Both teams were playing superb ball, with fumbles, due to terrific tackling, coming frequently. For State the work of Chuck Gelatka, Alex Lott, A. B. Stubbs,

and Armstrong was outstanding, though it might well be said that the entire team played inspired and commendable football.

#### STATE 26—OLE MISS 6

The supposedly impregnable citadel of Ole Miss' football regime over State crumbled that memorable Saturday afternoon before the furious charges of Major Sasse's colorful eleven, carrying with it the demolition of the classic's most celebrated winning streak—ten straight.

An estimated crowd of 21,000 looked on as the Maroons fought their way to a glorious 26-6 victory, and in so doing gained undisputed possession of The Golden Egg, grid trophy for which the Rebels and State battle each year. This is the first time in the history of the cup that State has held undisputed possession, and on only one occasion for six months, following the 7-7 tie in 1929, has State placed the trophy in the local collection.

Striking ere the game was three minutes old, the Maroons rushed Bill Steadman through a hole at tackle for the opening touchdown. A strong wind and the kicking of Ike Pickle set the stage for the score. After three kicking attempts, the ball rested inside the Ole

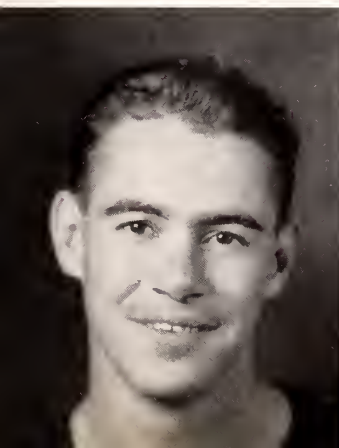

MOLLERE

PICKLE

PITTMAN

PRICE

REDDOCH

## AN ACCOUNT OF THE GAMES

Miss 5-yard line. Peters managed a kick into the wind that settled on the Rebel 24, and from here the Maroons went to town. Fred Hight whipped a pass to Chuck Gelatka that netted 14 yards. Hight then plowed through the line for seven yards, and came right back for two more. With the oval resting on the one-yard mark, Steadman went over and the crowd went wild. Pickle converted.

Ole Miss pushed over a touchdown in the third period and for a time it looked like a traditional Ole

Miss-State score. However, in the fourth quarter the Maroon stock market hit a new high and before the crowd actually realized what happened the Maroons were out front by an even 20 points.

Chuck Gelatka captured a loose ball on the Ole Miss 20-yard mark and after three passes had failed Ike Pickle took in a heave on the Ole Miss 8-yard stripe and fought his way over. Again Pickle kicked the extra point.

State picked up steam a short time later on the Ole Miss 47, and after charging to the 6, saw a pass intercepted. However, on the next play Ole Miss fumbled and Bob Keenan recovered for the Maroons. In two plays Bob Hardison punched over a score but the point was missed.

The crowd rose as one person when Charlie Armstrong went in late in the game. Armstrong was suffering from a torn shoulder, received in the L. S. U. game, and for a time it was feared his grid days were over. Purely for sentimental reasons, perhaps, Sasse let the Maroon co-captain enter the game. Armstrong covered himself with glory, however, for after a thrust at the line by Hardison, he faded back and whipped a bullet pass some 34 yards to Dennis Cross who ran through three of the opposition for a touchdown. At this point Sasse removed Armstrong and the crowd acclaimed him.

A short time later the game ended, dropping the curtain on the first State victory over Ole Miss since the 6-0 affair in Jackson in 1925.

#### STATE 32—MERCER 0

Playing the final home game of the season before a crowd of some 4,000, the Maroons ran over the Mercer Bears by a 32-0 score. A large crowd of high school students from all sections of the state was in attendance, enjoying the first High School Day, scheduled from now on as an annual event.

After being held scoreless during the first quarter, the Maroons came to life and tallied twice in the second period. The scoring opened as Hardison went over from the six-inch line, climaxing a 64-yard drive. Pickle

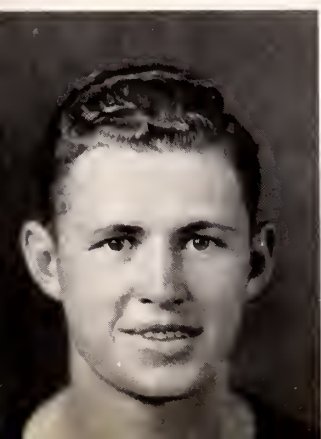

SCOTT

SEALES

STEADMAN

STUBBS

THAMES

## AN ACCOUNT OF THE GAMES

took in a pass on the previous play and went out of bounds just short of a goal. Hardison also scored the second touchdown from the 3-yard stripe where Ward had carried it from deep up-field.

Just after the third period got underway, Ward broke through and romped 65 yards to a score, his second long scoring-thrust of the season. One minute later, Fred Walters produced a touchdown single-handed on a spectacular play. He rushed in, blocked an attempted punt and caught the ball in mid-air. He went over without being touched and the score stood 26-0.

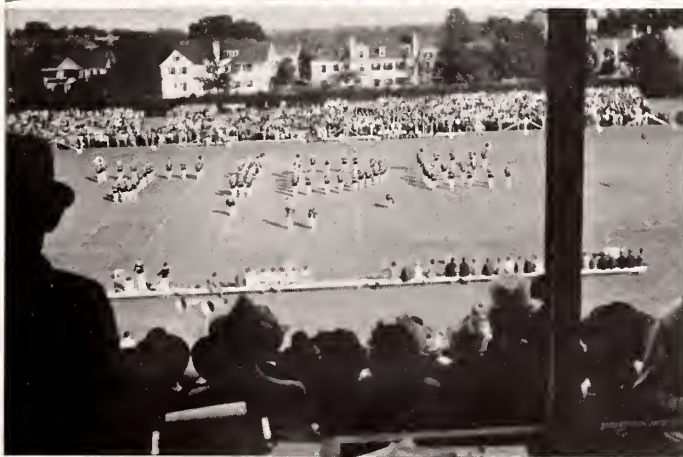

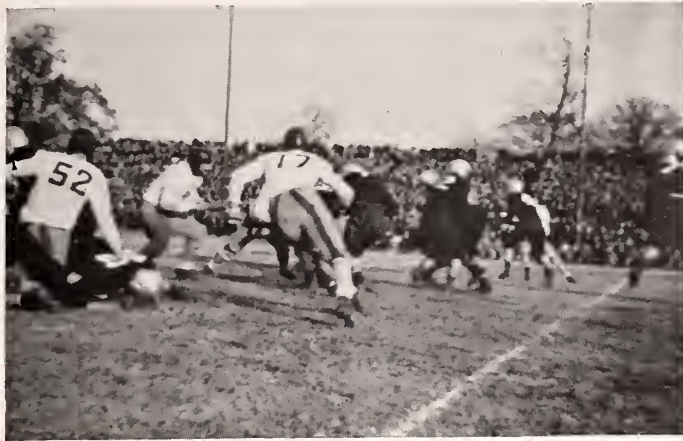

The final touchdown came in the fourth period with the third and fourth stringers playing. But five plays were used in driving 60 yards, with Bob Caldwell going over for the score.

Bobby Thames barely missed a score in the closing minutes by streaking 55 yards to the Mercer 32-yard stripe where he was chased out of bounds. Two plays later the game ended with the Maroons in possession of the ball on the Mercer 27-yard line.

### STATE 7—FLORIDA 0

The Maroons cinched fifth position in the Southeastern Conference race by pounding out a 7-0 victory over the University of Florida in the final game of the year.

The game was but a few minutes old when State struck for the only score of the contest. Dave Price, veteran center and a bulwark in the State line all year, dropped on a fumble about midfield. On the first play Bernie Ward faded back and whipped a pass to Ike Pickle who took the oval on the 10-yard mark while in full stride. Ike went over without being touched and came back to kick the extra point.

Sasse sent in a full team shortly after this and left them to finish the half. The Maroons seemed content to hold their lead and played methodical and orthodox football. In the third period the Florida eleven threatened to tie the score when a pass from Ward was intercepted on the Florida 30-yard line. A series of short passes and end runs placed the ball in scoring distance but Ward batted down a pass on the 1-yard line and on the next play intercepted another heave.

The statistics again favored the Maroons, showing 10 first downs to 5, and ran up 245 yards gained to 78 for the Gators. The fast charging line of the State team nullified the celebrated passing attack of the Florida team, giving State an advantage in this department also. Thus the season ended with the Maroons sporting 7 wins, 2 losses, and a tie, for the best record made by a Maroon eleven in nineteen years.

# BASKETBALL

Although the basketball team this year was rated as one of the strongest in the conference and one of the most versatile in the history of the sport at State, the squad faltered in the home-stretch and finished with a mediocre record.

The team opened up with ten victories in the first eleven games, split the next six, and then dropped four straight to climax the schedule. The schedule this year was so arranged that the cagers played fifteen games in twenty days, with three of these days being Sundays.

In conference play, the Maroons won six and dropped seven, after leading the circuit for the first three weeks of competition. The record against the traditional rival, Ole Miss squad, was the poorest in several seasons. After winning the first meeting, played on the local court, the Maroons went down the next night, and in a two-game return series played at Oxford the Rebels measured the State five in two close games.

The Maroons opened the season against Mississippi College in a home game played before the Christmas holiday session and won out by a 36-25 score. Later in this same week the Millsaps Majors fell before the local five by a score of 32-16. Following the holidays the cagers took a ten-day trip that started in Florida and saw them swing up the Atlantic seaboard as far as Philadelphia. On the way home they stopped off at Washington to take the Catholic University team in tow by a 41-28 score.

The long jaunt opened at Gainesville, with the Maroons downing the University of Florida crew in a two-game meeting. The first tilt ended 27-25, with a Frank Merriwell finish being added by Charlie Armstrong. In the waning seconds of the game the ace Maroon guard dropped in two long heaves that tied the score and put State in the lead as the whistle blew. In the second meeting, the Maroons experienced little difficulty in winning, 33-17.

Traveling all day Sunday, the State team stopped at Durham, North Carolina, long enough to snap a seven-game winning streak off the Duke Blue Devils on the next night, 33-29. From Durham the locals rode some five hundred miles the next day to Philadelphia, where they dropped the first game of the season to the St. Joseph College cagers, 36-28. The trip home, including the Catholic University game, required three days, due to motor trouble with one of the cars. Consequently, the Maroons arrived home too late to meet the Louisiana Tigers in a tentative game. However, the squad was sufficiently rested the next night to meet the Tigers in the regularly scheduled affair and dropped the strong bengal five on the short end of a 53-36 count. At the halfway period of the final half the score stood at 28 all. In the final five minutes the Maroons broke a 36-36 tie and dropped in seventeen points. Fred Walters and Crawford Grissom led the closing rally with six and eight points, respectively.

Paced by the brilliant play of Charlie Armstrong, the Maroons ran over the Loyola Wolves in the opening game of a two-ply match by a 59-43 score. Armstrong tossed in 23 points, while his running mate in three sports for four years, Fred Walters, carried off the runner-up honors with a total of 17 points. The second game also found the Maroons winning, this time largely through the efforts of Walters and Grissom. The final score was 36-25.

McMAHON

WARD

CATLEDGE

The following night the locals dropped down to Jackson to meet the Millsaps Majors in a return match and won out, 49-27. The game was nip-and-tuck the first half, with the Maroons enjoying only a five-point lead, 23-18. However, during the second half the State five came to life and started hitting the wicker. Honey Stone led the scoring with eighteen points.

The Ole Miss Rebels invaded the campus for the first of the annual four games and dropped the locals on the first night by piling up a lead in the last few minutes which a desperate rally by the Maroons couldn't quite overcome. The score ended 40-37. Though Stone and Armstrong led the scorers for the night with 13 and 11 points, the whole Rebel team turned in fairly high scores and then won out. In the second game, the Maroons reversed the order and tripped up the Red and Blue team with a 43-34 victory. Walters carried off scoring honors in this match with 15 points. Poole was best for the visitors and scored 14 points. The State five led all the way, enjoying a 26-16 lead at the halfway mark.

The next games were played with Tulane furnishing the opposition, and saw the locals get an even break. State won out in the first game by a 10-point margin, 39-29, with Orville Stone dropping in 16 points. On the next night the Green Wave reversed the order and won out, 41-29. This was the first time a Tulane team has won over a State five in three seasons.

PITTMAN

BONNER

ARMSTRONG

WALTERS

From New Orleans the Maroons moved to Baton Rouge, where they met the L. S. U. Tigers in a return series. The Bengals won the opening game with a last-minute spurt, 42-41. Bryan, Tiger ace, dropped in a field goal with but twenty seconds to play. The second game was just as much a thriller, with Fred Walters in the hero role. With L. S. U. leading, 38-37, Walters was fouled. Calmly he stood on the free pitch line and dropped in two free pitches that moved the Maroons into the lead by a single point.

On the way home from the Louisiana invasion, the State squad stopped off in Jackson long enough to measure the Mississippi College five in an exciting game. The score ended 46-42, with Charlie Armstrong and Fred Walters leading the scoring. The Mexico City Y. M. C. A. team was next encountered on the local court, and fell before the Maroon second team in a colorful affair by a 41-16 score. The game was much better than the score indicates.

The Alabama Crimson Tide opened the annual series with the locals and won out, 32-20. On the next night the State team journeyed to Tuscaloosa and went down again, Alabama winning by a 37-28 score. To close the schedule the Maroons met the Ole Miss squad and were dropped on successive nights. The first game favored the Red and Blue by 36-34, while the second game ended 42-50.

In the conference play-off, State met the undefeated Georgia Tech five and were eliminated, 43-30.

GRISSOM

# BOXING AT STATE

The season's record of the Maroon square-ringers for this year was disappointing, and did not measure up to the usual high standards of State boxing teams, due largely to the number of inexperienced men on the squad. However, the name of our school was carried to national heights as Harry "Moon" Mullins, heavyweight fighter, won out in the annual conference tournament and then went on to California to annex the national collegiate heavyweight crown.

The team improved as the year progressed, but by the time Coach Hugh Whitaker had taught his men the primary fundamentals of the game, the squad had dropped five bouts. They wound up the schedule, however, by winning the last three matches on the card, and in doing so avenged two earlier season defeats. In all, State met five conference teams, but encountered only two of them in return matches. In each instance the Maroons scored a victory and evened matters for the year. Two bouts with the strong Louisiana Tigers were cancelled, one because of the severe pounding several

## BOXING AT STATE

of the local squad took in losing to Tulane the night before, and which would have prevented the Maroons from presenting full strength. The meet with the Bengals scheduled for the campus was called off because of conflicting tournament dates.

State opened the season with the Florida punchers and went down 5-3. Mullins drew the only adverse decision he has received in collegiate fighting, losing on a foul. Next the Maroons opposed Tennessee and went down 6-2. In this match Mullins and Ruffing were victorious, Ruffing scoring a knockout.

On the way home from Tennessee, and after an all night drive, the Maroons stopped off at Tuscaloosa to meet the Crimson Tide. The Alabama squad pounded out a 6-2 win also, with Mullins and Tom Rand earning victories.

State then met the strong Tulane Greenies and were defeated by a 7-1 margin. Mullins was the lone fighter to score a victory, defeating Jaubert. In previous bouts Jaubert had beaten Hapes of Ole Miss and the same Florida heavyweight Mullins lost on a foul.

Ole Miss took the measure of the Maroons at Oxford with a 5 1-2—2 1-2 score, gaining several decisions which were doubtful even in the minds of the Ole Miss fans, as booing accompanied two of the decisions. Even had State been awarded a draw in these bouts the score would still have favored the Red and Blue. However, in the return go, State scored an exact reverse decision with one of our triumphs getting the "cat calls."

At Oxford, Mullins got a draw with Big Hapes, their ace fighter, as did Lambert and Ruffin. The other point was scored as Brent Murray won on a forfeit. On the local campus, Murray, Rand, Mullins, and Ruffin won out and Taylor won on a foul. Carl Inman held Steve Wilkerson to a draw to score the other point.

The Centenary Gents were met and defeated in Jackson by a 5-3 margin, though State got off to a bad start in losing the first two rounds. Rand won on a default, and Alton Taylor scored a clean win to even matters. Thayer Lynch then put the State team in the lead with a triumph, and Carl Inman knocked his man out.

Red Ruffin lost on a technical knockout, but Moon Mullins was given his bout on a default to bring the final score to a 5-3 standing.

Alton Taylor, a sophomore, proved the find of the year and showed improvement with each bout. In his first year of fighting Taylor went to the finals of the conference tourney and lost out by the barest of margins.

# The Track Season

Despite the fact that the Maroon track team did not win either of the two dual meets on the schedule, considerable improvement was manifest in the 1936 team and State's march down the comeback-trail passed another milestone.

The initial meet of the year was held on the campus with the Ole Miss Rebels furnishing the opposition. State lost a close decision, being nosed out in the final event by a single point. Going into the relay with the Maroon thin-clads out front by four points, the Red and Blue put on steam to win the four-man event and the meet. The score for the match was 59-58.

In the other match, held at Tuscaloosa against the University of Alabama, State went down before the fast stepping Crimson by a 72-40 count. Of the fourteen events, the Maroons landed but four men in first place, while they halved the second division honors with the Tide at seven spots.

Nat Muller turned in a perfect record for the day in carrying off first place laurels in the pole vault and the high jump. Only one other contestant equalled this record for the day. Godfrey of the Tide won out in the 440 and the 220-yard dashes.

R. P. Ellis, who took first in the mile and two-mile against the Rebel team earlier in the year, led the pack in the one-mile event and turned in the fine time of 4:25. Bay Stringer accounted for the fourth first-place honor won by State in taking the running broad jump with a leap of 21.7.

Ike Pickle, sensational halfback, donned track togs and added another varsity sport letter to his collection. In the Alabama meet he accounted for two of the seven second places, scoring in the dashes. He finished behind the speedy Joe Riley in the 100-yard event, and came second to Godfrey in a close finish in the 220-yard dash. Against

MULLER

TOWLES

REAGH

MAULDIN

Ole Miss, Ike took first place honors in the 220-yard dash and the running broad jump. His time in the dash was 22.7, while in the jumping event he registered 21 feet, 9 inches.

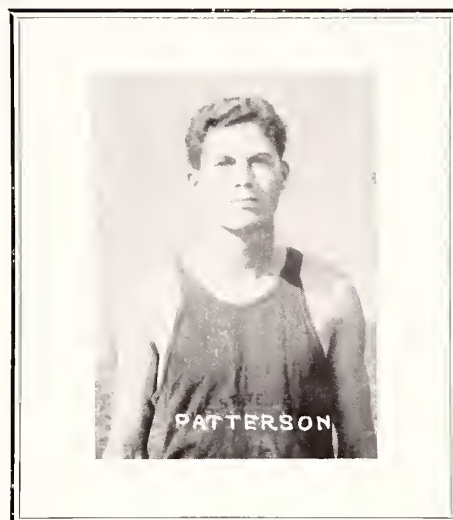

Fifteen events were run off in the meeting with Ole Miss, held on Scott Field, with the Maroons taking eight first places and six second places. The Rebels won seven first places and came second eight times.

At the time the relay was run, State held a slight advantage in having won eight events while the Rebels were winning six. With the score 58-54, Ole Miss won the mile relay and moved the score to 59-58. No second place is awarded in relays between two teams.

State took the lead as Ellis romped home in the two-mile race, but Ole Miss came back with a double winner in the 220 low hurdles. The Maroons then captured first place in the quarter-mile and mile as Mauldin and Ellis won out. The Rebels gathered both second places and came back to carry off both places in the next event, the century dash. Ole Miss then won the 120 high hurdles, but Towles was second for State. Muller won the pole vault and Gelatka got second in the 880-yard dash to keep the score close. The same was true as Pickle won the 220-yard dash and Ole Miss won the high jump. State brought the score to 46-42, in favor of Ole Miss, as Henson and Pike captured both spots in the shot-put. The Rebels moved out front by two more points in winning the javelin, State getting second place.

Pickle and Stringer then won first and second in the running broad jump to put the score at 53-51, with State in the lead. Carl Reagh heaved the discus 141 feet to increase the margin by two points, setting the stage for the mile relay and the thrilling climax.

Prospects this year are even better, State having engaged W. O. Spencer, former Maroon star and twice a member of the U. S. Olympic team, as a full time track coach. Spencer coached the famed Slats Hardin while the latter was a member of the Greenwood high school squad.

## BASEBALL RESUME 1936

For the third straight year the Maroons tied up with the Alabama Crimson for the conference pennant, only to have the Tide again get the best of the series and the championship.

In fourteen games the Maroons turned in eight victories, were defeated five times and registered a 5-5 deadlock with the Alabama nine. A reversal of one of the Crimson defeats would have given State the flag for 1936.

The Minnesota Gophers moved into the campus amid thunder showers to open the schedule. Wet grounds resulted in calling off the initial engagement, but the following day the teams met. The invaders from the North took the measure of the Maroons in a pitchers' battle by a 3-0 score. Fred Walters accounted for two of the six hits the Maroons got. Armstrong and Ward handled the twirling for the State nine, with Armstrong getting credit for the loss. Ward pitched two innings without allowing a hit or a run.

Another Big Ten team, Purdue, faced the Maroons in the next games and went down by scores of 14-1 and 4-3. In the first game State scored four runs in the opening inning and rang up five more in the eighth. Ward handled the pitching duties for the Maroons and gave only six hits in as many innings. Caldwell hurled no-hit, no-run ball in the three frames he worked, taking over the assignment with one out and the bases loaded. He forced the Purdue batter to hit into a double play to end the inning.

In the second game, State pushed over a run in the first frame and held the lead until Purdue came through in the sixth with three scores. The runs came as the result of two walks, a sacrifice hit, and two errors. Though Walters actually hit a home run in the seventh, he was not even credited with a hit, being called out for missing first base. The act cost State two runs and a chance to take the lead. One run counted prior to this and left the locals behind by a single score. In the eighth, the State nine cinched the game with two runs as Carroll went safe on an error and Woods hit to left, scoring Carroll as the Purdue fielder erred on the play. Pillow singled Woods home with the winning run. The Maroons gathered nine hits, while Armstrong gave up but three.

State opened the conference schedule at Baton Rouge and were defeated, 6-0, in a single contest, the second game being rained out. Brown, ace Tiger hurler, held the State team to three hits, while the Bengals pounded Armstrong for twelve.

On the local field, State evened matters with the Tigers in the first return game, winning by a 4-3 score as Ward held the visitors to six hits. He was removed in the last frame, however, as the Bengals loaded the sacks on two walks and a scratch hit. Walters had a perfect day at bat, cracking out two triples in as many times up. State pushed over the winning run in the eighth after L. S. U. had tied the score at 3 all in their half. The second game of the campus series went to L. S. U. after Grohoski and Lockbaum hooked up in a twirling duel. L. S. U. opened the game with two runs but State evened matters in the second and the game stayed thus until the seventh, when the Tigers scored the winning marker.

For the second straight year the Maroons made a clean sweep of the four games with Ole Miss. The victories at Ole Miss made it thirteen times straight that the Maroons have dropped the Rebels in their own back yard. The first meeting of the year, played at Oxford, saw the State nine dumping the Rebels by scores of 13-4 and 10-5. Armstrong gave up seven bingles in the first tilt while the Maroons had a field day in gathering nineteen blows. Armstrong led the team with a perfect day, 5 for 5. Caldwell was next with 4 for 6, and Walters pounded out 3 for 5. The Maroons scored 4 runs in the third frame and came back with 4 more in the fifth. In the second contest, Ward limited the Rebels to eight hits while the Maroons rang up an even dozen. Two runs in the first inning, 2 more in the fourth, and 4 in the sixth iced the game.

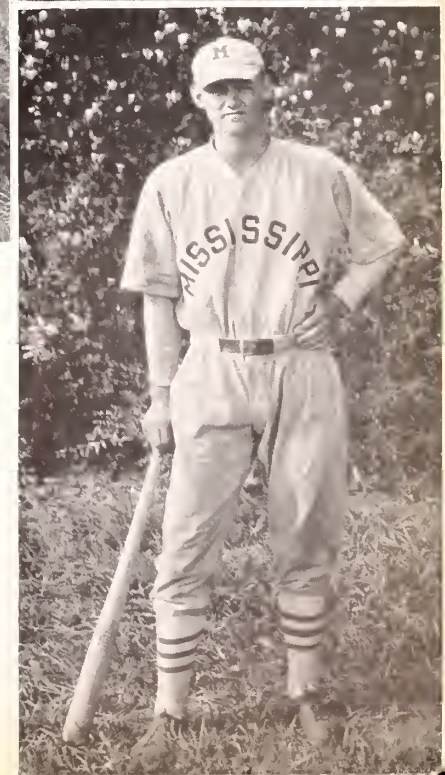

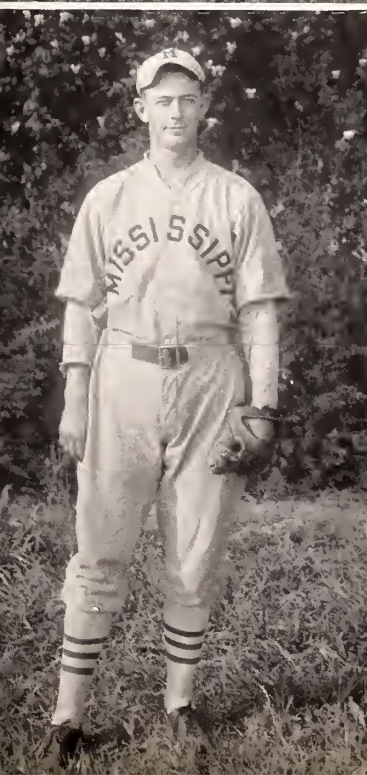

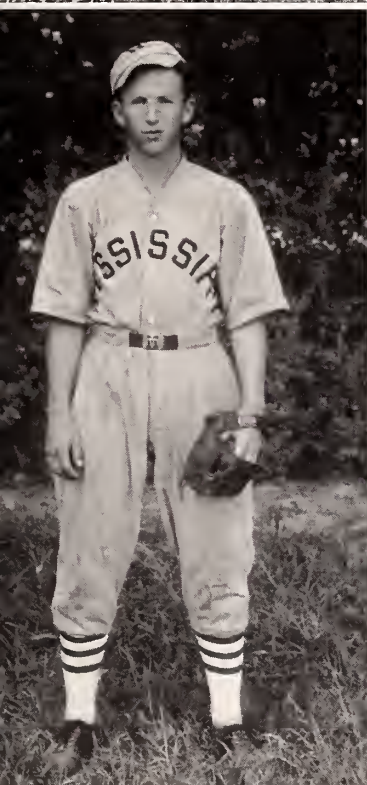

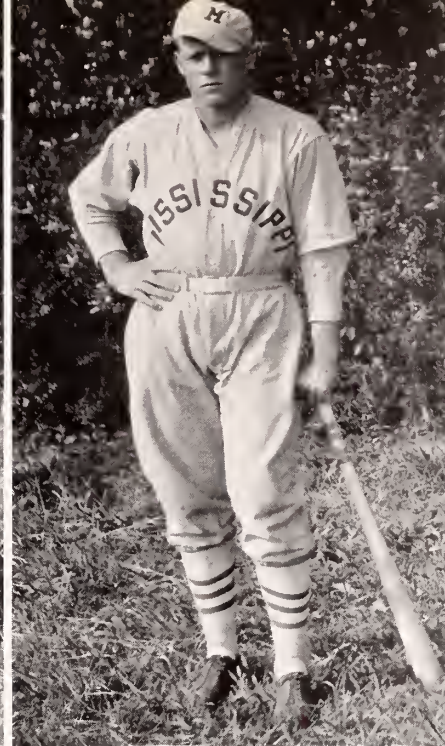

The Alabama nine made a clean sweep of the Tuscaloosa series, winning by scores of 13-5 and 13-3. Armstrong was off form and gave up 18 hits in the first game. The Tide moved into the lead in the third inning with three runs and were never headed. In the second game, Ward and Grohoski bore the Tide assault.

Returning to the campus for the final Crimson series, the pitching of Armstrong was practically perfect as he gave up but two hits, both going to Boozer, Tide outfielder. Alabama scored first when Boozer singled, stole second, went to third on an error and came in on a long fly to center. State evened matters in the second and moved out front for the remainder of the game by scoring two runs in the fifth. The winning runs came as Victor Dixon crashed out a line drive to left with three men on base, Hawken and Pillow counting. The Maroons drove out nine hits.

In the second Alabama game, State staged a ninth-inning rally that netted two runs and tied the score at 5-5. Two innings later the game was called on account of darkness with scoring still deadlocked. Alabama moved into an early lead by pushing over three runs in the second frame, and though State scored a run in their half and another in the fifth, the Tide added a run in the sixth and seventh and led by 5-2 going into the last half of the eighth. The Maroons scored one in the eighth and two in the final frame to tie the score. Ward and Grohoski hurled for the Maroons. Walters opened the ninth with a triple and Woods followed with a single. Stubbs singled Woods to second and Hight scored him with a double to right. Walters drove out three hits while Hight got four.

In the final games of the schedule, played on the local field, the Red and Blue nine from Ole Miss went down again by scores of 13-10 and 5-2. State staged two big rallies in the first game, one in the third that wiped out a three-run deficit and netted six scores, and another in the seventh that brought in seven runs. At the time the seven-run barrage was laid down, Ole Miss was again in the lead with a 9-6 margin. Odd features of the game were manifest in that the Rebels outhit the Maroons by 7-6, and State erred nine times during the afternoon. Stubbs rapped out a home run and Fondren hit a double for the only extra base hits of the game.

In the final game of the year, the Maroons marched through the Rebels for the ninth straight time, winning 5-2. An eighth-inning rally netted three runs and broke a 2-2 deadlock, after Ole Miss had pushed over a run in their half to tie the game. State opened up with two runs and held the lead until this point.

Woods opened the eighth with a blast to left that went for three sacks. Stubbs scored him with a single, and Hight settled the affair with a home run to deep right field.

Armstrong again turned in a stellar mound performance, giving up but three hits to the opposition. Woods led the hitters for the day with two hits in three attempts. With the bases loaded in the ninth inning, State executed a fast double play to end the game.

C. R. "DUDY" NOBLE  
Baseball Coach

# The Tennis Racquet

Cold weather and rain kept training periods to a minimum, and as a result the Maroon racquet wielders missed many hours of practice, a vital necessity in this sport, and finished the season with a record of four wins and six losses.

The first two matches of the year, with Mississippi College and Millsaps, were rained out, leaving only ten meets on the roster. The season got underway with Furman furnishing the opposition and resulted in a victory for the visitors. The score ended 5-2. Oddly enough, the Furman netters won all the single meetings and the State team took both the double matches. Woodrow Bonner and G. W. Drane teamed up to score the first victory, and Eddie Harned and Oliver Smith turned the trick in the final setto.

State lost both the conference matches on the schedule, bowing to Sewanee by a 7-1 score and to L. S. U. by a 7-0 margin. John St. Clair was the lone Maroon to score a conference victory, defeating his man in the Sewanee engagement. At L. S. U. a strong gale ruled the courts, with tennis playing practically impossible.

State next encountered the Minnesota state champions of 1935, Gustavus Adolphus College, and dropped the champions in an exciting match by a 4-2 score. Drane, St. Clair, and Harned won out in the singles competition, and Bonner and Drane teamed up to score a victory in the doubles.

Birmingham-Southern next fell before the racquets of the locals in a 4-3 triumph, with State taking two singles matches and both the doubles. Bonner and Anderson won out in the individual playing, while Bonner teamed with Drane to win the initial double meet, and Anderson sided with Smith to take the other match.

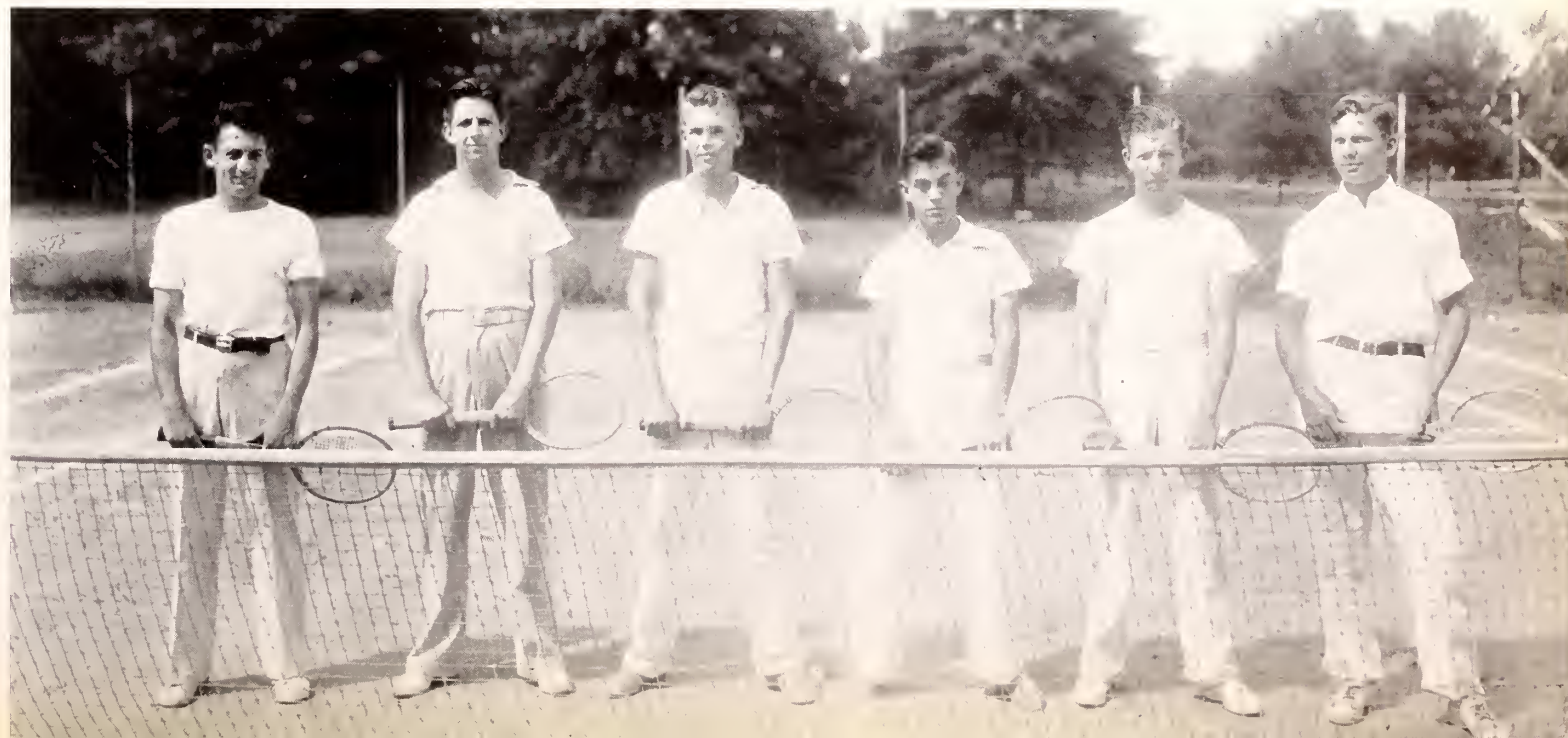

Louisiana Normal was victorious over the Maroon squad in a home-and-home meeting, winning on the local campus by a 4-2 score and on their own courts turned the trick with a 4-3 decision. In the match played here, Bonner and Harned turned in victories for the Maroons, while at Louisiana Normal, Bonner and St. Clair won singles play, and Bonner teamed with Drane for a doubles win.

In the only match played with Millsaps, the Maroons won out by a 4-3 decision, with Drane, Harned, and St. Clair turning in triumphs in the singles divisions. In the double playing, Bonner and Drane teamed up for a win.

Southwestern of Memphis took the local netters for a 5-1 victory on the local court, sweeping the singles competition and losing only to Bonner and Drane in the lone double match of the day.

A match with Delta State Teachers was called off due to conflicting calendars of the two schools.

## SERVICE WITH A SMILE

Shack: Cash a check? Certainly. How much? Ten Dollars? Why we'll be glad to. What? You don't think we ought to charge five dollars for this book? How much? Two dollars? Well, okeh, give it here. But we can't keep cutting these prices like this.

Laundry: Come right in. You say we lost six of your shirts, two suits of clothes and an overcoat? Just make out a bill, son, we'll be glad to pay it. Next! Step right up, son. Now what's this? Looks like a bunch of rags. Your shirt! Why, I'll have to get on the help about this. Not a button on it? Tch! Tch! Just fill out this blank, and be sure to put your collar size down. We'll have you some new ones in just a few days.

Holdus & Reamus: Collitch boys our meat. Ten dollars for that? Why we're losing money at fifteen. You can't buy gin-u-whine jewelry like that for less than twenty-five dollars! We get that exclusive, direct from the factory. That's why we sell so cheap. Candy? Why step over here in the candy department. Lot of it? Yes sir! I'll say we have. Two tons of it. (We cash checks with a smile, no questions.) Cash your check? Why, er, brummph. Mmmm. Two dollars! You go to school out here? What's your name? What school you in? Ever do business with us before? How you classed? What's your laundry number? Where do you live? Okeh! Why certainly

we think it's a good check. Never thought for a minute it was phoney!

Prof: Your paper isn't graded right? Hand it here. Hmmm! Why, here's five extra points on this first page. That grader must be getting blind. Third question? Let's see. You're right son. Ten more points. Second page okeh? No! Wait a minute, what's this! Give you two points on that. Why even I can see that's worth fifteen. Let's add this up now. 60-68-76-89-93-108. How's that for grading?

Taxie driver: Change for a ten? Why, I'll be delighted. Just one minute. Other side of town? Why, I'll be glad to drive you over there. Extra charge? Why, of course not!

## HOTEL GILMER

COLUMBUS, MISS.

J. O. SLAUGHTER,  
V.P. - MGR.

### IF I WERE RICH

It wasn't enough for you to marry one of the home town belles, you had to settle down in the old home village. Everyone you ever knew, and some you wish you had never met, comes around to help you invest that money your rich uncle left you.

Joe drops around rather nonchalantly and offers to sell you half interest in a frog farm, but your wife can't stand the sound of just one frog, so you pass up that opportunity. Two months later Joe goes driving by in one of those imported jobs, and honks at you, said honk sounding very much like the old and well-known raspberry.

Now Jerry has a proposition that is really a proposition. He wants to go into the poultry business. He comes around to see you and starts pointing out the possibilities of just one setting hen and a dozen eggs. Inside of ten minutes he has the air full of feathers and eggs and has used up all the bridge-score pads in the house figuring out how many hens you will have in 1940.

Your wife's brother has the best proposition of them all, he wants to open up a chain of hamburger stands, and gives you that old line about twenty nickels making one dollar. You don't eat hamburgers, you tell him, and furthermore, you already knew that twenty nickels make a dollar.

You might be wrong but you are of the opinion that your present insurance policies are large enough, but your wife insists that you take out more insurance. She even gets a few of the glib-tongued boys to call on you. One of them remarks that Columbus took a chance,

*(Continued on page 245)*

### IF I WERE RICH

*(Continued from page 244)*

but adds that that was back in 1492. You surprise him and yourself too by saying:

"Well, anything that was good enough for Columbus, is good enough for me, so I'll just take a chance."

The next day you see a robin and decide right off that spring has arrived. A week later you go fishing but almost freeze to death, and make up your mind that you didn't see a robin, it was a mocking bird with high blood pressure.

---

An old-fashioned farmer took pen in hand and knocked off a rather indignant letter to a large concern which made a specialty of selling plumbing supplies by the mail order routine.

"I have got a kick to make," the farmer painfully scratched across the paper in uneven lines. "Early last spring your agent called on me and talked me into ordering one of them new-fangled patent porcelain bathing tubs of yourn. A lot of the neighbors in these here parts also bought a tub of your man, and they got theirs right off. Mine didn't come when the others did. April passed, and May too, but still no sign of your tub."

"You remember when I first wrote you telling you the tub hadn't arrived. That was back in the early part of June. Well, June, July and August went by, and still no tub, or no answer either."

"And now here, in the middle of September, with the bathing season just about over, you have got the nerve to try to make me take that dern tub."

## THIS MODERN AGE

How fortunate we are. By this I mean, our generation. Think of the modern conveniences we have. Some were predicted many years ago, and some were never thought of. Let's take one of them for example. The automobile, one of the outstanding conveniences. It has a combination of speed, power, durability, and comfort. It takes lives by the thousands every year. It leaves many cripples, who soon become a burden upon society as a whole. Other things about it to be considered, are the poverty-stricken families, who continue to purchase and operate them instead of buying food and clothing. Is this a convenience or a curse? That is to be determined by the owner or operator.

Just think of the pleasures you can enjoy by owning an automobile. Take a nice Sunday evening ride in the country with your best girl on a nice cool summer evening when it is 110° in the moonlight, and you have on your best linen suit. You are riding along enjoying life, and all at once you hear a loud "Bang," and the car starts swaying from one side of the road to the other before you can bring it to a halt. (Believe it or not, but you probably have a blow-out.) You dismount the vehicle to discover only a blow-out. Cursing under your breath and at the same time trying to explain to the fem, that it will be no trouble at all to fix. After struggling under the back

*(Continued from page 246)*

seat for several minutes trying to find the instruments with which to disengage the tire, you finally come to the conclusion that your little brother (the little devil) was playing with the jack in the sand pile when you left home.

After sitting there in the nice cool moonlight for an hour or so waiting for some one to come along that could loan you a jack for the operation, you see a famous old T model Ford come bumping down the road. You flag the car and borrow a 1910 model, stream-

lined jack. After great effort, you are able to raise the deflated ring of scrap rubber from terra firma. Then you move to the rear of your streamlined tin horse only to discover that the spare was left with the fooling station in town for repairs.

What now little Man? You catch the next passer-by going to town, so you can get the spare. You obtain the tire and get back to your one hundred horses in a streamlined can, only to find it off the jack, and the beautiful

little skirt standing in the middle of the road frightened half to death from the fall.

The service station truck returns to town for another jack, taking the spare tire with him by mistake, and fails to return. You then walk to a near-by farm house and borrow the farmer's fine-gaited mare, and his good old rubber-tired buggy. You then help the fair-haired lassie mount the beautiful chariot, and climb in beside her. At your command the gallant steed moves off with graceful strides.

It is late now and the night air has become

slightly chilled. You nudge closer to the squaw, in order to keep HER warm. As you come upon a break in the trees, you see a beautiful full moon just over the tree tops. You don't put on the brake, throw it out of gear, cut off the ignition and lights; but just say Woa. The gallant steed comes to a halt resting on three legs. Then you admire the moon while looking at, and putting your arms around the pretty winch. (TIME FLIES.)

Suddenly you realize that it is almost day
